Summary of Committee Investigations  
118th Congress, 2nd Session  
April 2024

**The Biden Border Crisis**

The Committee's investigation of the root causes of the Biden border crisis and the Administration's lax immigration enforcement, and our examination of facts to inform potential legislative reforms, is ongoing.

**Weaponization of the Federal Government**

The Committee, through its Select Subcommittee on the Weaponization of the Federal Government, continues to examine the weaponization of the federal government to inform potential legislative reforms.

**The ATF's regulatory overreach**

The Committee, through its Subcommittee on Crime and its Subcommittee on the Administrative State, is conducting oversight of the Bureau of Alcohol, Tobacco, Firearms, and Explosives' effort to regulate firearms without express delegation from Congress to do so.

**Politically motivated prosecutions**

The Committee is conducting oversight of the New York County District Attorney's prosecution of a former President and current declared candidate for that office to inform potential legislative reforms that would, among other things, insulate current and/or former Presidents from politically motivated state and local prosecutions, or prohibit the use of federal forfeiture funds to be used by a state or local agency for the investigation or prosecution of a current or former President or a declared candidate for President.
