[Report](#) - pursuant to reporting requirements of Section 516 of the Foreign Assistance Act of 1961, as amended, we are providing herewith notification of the proposed grant transfer of High Mobility Multipurpose Wheeled Vehicles and trailers to the Government of Moldova.

[Report](#) – provided in accordance with 1 U.S.C. 112b as amended. International agreement signed,

concluded, or otherwise finalized during August 2024.

**Report** - FY 2025 Comprehensive Oversight Plan-Overseas Contingency Operations Brief. The annual comprehensive oversight plan. The annual comprehensive oversight plan is a whole-of-government effort involving Federal agencies with oversight responsibility for different aspects of overseas contingency operations. Operation Inherent Resolve (OIR) in Iraq and Syria and Operation Enduring Sentinel (OES) in Afghanistan will continue into FY 2025. This comprehensive oversight plan contains 71 ongoing and planned oversight projects for FY 2025, some of which apply to multiple overseas contingency operations.

**Report** - We are pleased to submit our annual plans describing oversight activities for Operation Inherent Resolve (OIR) and Operation Enduring Sentinel (OES). These plans fulfill our individual and collective agency oversight responsibilities pursuant to the Inspector General Act of 1978, as amended. We will issue a separate plan for Operation Atlantic Resolve, which includes assistance to Ukraine. The Inspector General Act of 1978 requires the Inspectors General from the Department of Defense (DoD), the Department of State (State), and USAID to work jointly and with our oversight partners throughout the U.S. Government to ensure effective oversight of U.S. Government activities related to designated overseas contingency operations. Specifically, the law requires the development of joint strategic plans for oversight of each overseas contingency operation for which a Lead Inspector General has been designated.

**Report** - This report is submitted pursuant Section 7019(e) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2024 (P.L. 118-47) and House Report 118-146, which states: Not later than 180 days after the date of enactment of this Act, the Administrator of USAID shall submit a report to the appropriate congressional committees on award performance and accountability in support of more effective, transformative, and efficient foreign assistance implementation.

**Report** - Independent Accountant's Report on the Application of Agreed-Upon Procedures: Employee Benefits, Withholdings, Contributions, and Supplemental Semiannual Headcount Reporting Submitted to the Office of Personnel Management. Kearney & Company, P.C. (referred to as "we" in this report), performed the procedures described in the enclosure to assist the Office of Personnel Management (OPM) in assessing the reasonableness of retirement, health benefits, and life insurance withholdings and contributions as well as enrollment information submitted via the Semiannual Headcount Report by the Department of State (Department). OPM is solely responsible for the appropriateness of the agreed-upon procedures.

**Report** - to Congress on The Government of Colombia's Drug Interdiction Efforts and Cooperation with the United States Certifications Under Section 7045(b)(2)(A) of the Department of State, Foreign Operations, and Related Programs Appropriations Act 2024 and Reporting Requirements Under Section 7045(c)(1) of the Department of State, Foreign Operations, and Related Appropriations Act, 2024 (Div. F, P.L. 118-47).

**Report** - to Congress on The Organization and Funding of Mass-Migration Caravans in the Western Hemisphere Section 7045(f) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2024 (Div. F, P.L. 118-47).

**CN DDTC #24-053** – Pursuant to Section 36(c) of the Arms Export Control Act, please find enclosed a certification of a proposed license for the export of firearms, parts, and components controlled under Category I of the U.S. Munitions List in the amount of \$1,000,000 or more. The transaction contained in the attached certification involves the export of .300 caliber fully automatic rifles, suppressors, and related parts to Singapore.

**CN #24-98** – Pursuant to the reporting requirements of Section 36(b)(I) of the Arms Export Control Act, as amended, we are forwarding herewith Transmittal No. 24-98, concerning the Air Force’s proposed Letter(s) of Offer and Acceptance to the Government of Italy for defense articles and services estimated to cost \$680 million.

**CN #24-101** – Pursuant to the reporting requirements of Section 36(b)(I) of the Arms Export Control Act, as amended, we are forwarding herewith Transmittal No. 24-101, concerning the Navy’s proposed Letter(s) of Offer and Acceptance to the Government of India for defense articles and services estimated to cost \$175 million.

**CN #24-109** – Pursuant to the reporting requirements of Section 36(b)(I) of the Arms Export Control Act, as amended, we are forwarding herewith Transmittal No. 24-109, concerning the Army’s proposed Letter(s) of Offer and Acceptance to the Government of Romania for defense articles and services estimated to cost \$110 million.

**CN #24-333** – The Department of State has opted to discontinue Peacekeeping Operations (PKO) funding of the Logistics and Equipment Depot (LED) in Sierra Leone due to a combination of low usage in the past few years and the high costs associated with maintaining and operating the facility and recapitalizing old equipment. The Department accordingly informs you of its intent to reprogram \$13,914,787 worth of serviceable vehicles and non-lethal equipment originally procured for the LED to instead benefit the Government of Sierra Leone. This equipment reprogramming will both enhance the Republic of Sierra Leone Armed Forces (RSLAF)’s humanitarian assistance, disaster relief, border security, and peacekeeping capacities and maintain the bilateral relationship with the partner as the LED is closed.

**CN #24-047** – Pursuant to Section 36(c) of the Arms Export Control Act, please find enclosed a certification of a proposed license for the export of firearms, parts, and components controlled under Category I of the U.S. Munitions List in the amount of \$1,000,000 or more. The transaction contained in the attached certification involves the export of .50 caliber fully automatic machine guns and related parts to the UAE.

**CN #24-049** – Pursuant to Section 36(c) of the Arms Export Control Act, please find enclosed a certification of a proposed license for the export of defense articles in the amount of \$50,000,000 or more. The transaction contained in the attached certification involves the export to India of buoy-tethered undersea surveillance systems and a shoreside processing software system.

**CN – Transmittal of a DETERMINATION to Congress** – The Department of State intends to transfer title to five Skydio X2D Small Unmanned Aircraft Systems to the Government of Haiti to increase the capacity of the Haitian National Police Intervention Group in its daily fight against well-armed and violent gangs in Port-au-Prince and other departments throughout the country. In accordance with section 484(a)(2)(A) of the Foreign Assistance Act of 1961 (FAA), the Department of State is transmitting a determination that section 484(a)(1) of the FAA shall not apply to these aircraft because such application would be contrary to the national interest of the United States. Enclosed are the Determination, Memorandum of Justification, Section 484 Exception Analysis, and Aircraft Inventory.

**CN DDTC #24-069** – Pursuant to Section 36(d) of the Arms Export Control Act, please find enclosed a certification of a proposed license for the export of defense articles, including technical data, and defense services for the manufacture of significant military equipment abroad. The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Canada to support the manufacture of certain ground control systems for an unmanned aircraft system.

**CN #24-0079** – Consistent with section 705 of the U.S. Information and Educational Exchange Act of 1948, the Department of State is notifying you of its intent to obligate \$750,000 in FY 2025 Educational and Cultural Exchange Programs (ECE) funds, pending the availability of funds, to support the FY 2025 Congress-Bundestag Youth Exchange (CBYX) Enhancement Program.

**CN #24-002** – The Department of State intends obligate Fiscal Year (FY) 2023 International Narcotics and Law Enforcement (INCLE) funds. In addition, the Department of State is informing you of its intent to change the program content of FY 2022 INCLE funds previously notified in CN #23-196. This notification is being submitted on behalf of the Office to Monitor and Combat Trafficking in Persons (TIP Office). The funds will prevent human trafficking, support efforts to prosecute the perpetrators of trafficking, and protect and reintegrate victims of trafficking.

**CN DDTC #24-065** – Pursuant to Section 36(c) of the Arms Export Control Act, please find enclosed a certification of a proposed agreement amendment for the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more. The transaction contained in the attached certification involves the export of classified defense articles, including technical data, and defense services to Australia and the UK for the integration and support of radar subsystems.

**CN #24-325** – The Department of State is informing you of its intent to change the program content of one of the projects previously notified in CN 24-002 with Fiscal Year 2023 International Narcotics and Law Enforcement (INCLE) funds. This notification is being submitted on behalf of the Office to Monitor and Combat Trafficking in Persons. The funds will expand a program to disrupt forced criminality in online scam operations to add Indonesia, Malaysia, and the Philippines in addition to the previously listed countries (Cambodia, Laos, Thailand, and Vietnam). Project activities and total funding remain the same; the only change is the expansion to these three additional countries.

**CN – Transmittal of a DETERMINATION to Congress** – This letter is to notify you that, pursuant to section 341(b) of title 10, United States Code, Madeline Mortelmans, Performing the Duties of Assistant, has determined that the attached Department of Defense (DoD) State Partnership Program (SPP) activities involving the non-military security forces of a foreign country and/or governmental organizations of a foreign country whose primary functions include disaster response or emergency response, are in the national security interests of the United States. The Acting Assistant Secretary of State for Political-Military Affairs concurs, on behalf of the Secretary of State, in this determination.

**CN #2** – This notification is to advise that the U.S. Agency for International Development (USAID) intends to obligate \$112,700,000 in fiscal year (FY) 2024 GHP-USAID funds for HIV/AIDS. Activities may be undertaken in the countries of Burma, Cambodia, Colombia, El Salvador, Ethiopia, Guatemala, Haiti, Honduras, Nicaragua, Philippines, Rwanda, South Sudan, Venezuela, Ukraine, and Zimbabwe, which are subject to special notification requirements. USAID may rely on notwithstanding authority under section 7058(a) of the Department of State, Foreign Operations and Related Programs Appropriations Act, 2024 (P.L. 118-47, Division F) (FY 2024 SFOAA) to implement these programs.

**CN DDTC #24-036** – Pursuant to Section 36(c) of the Arms Export Control Act, please find enclosed a certification of a proposed license amendment for the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more. The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Saudi Arabia, Australia, and the UAE to support sustainment, maintenance, operation, and training for air missile defense systems and maintenance and operation of U.S. military vehicles and certain other foreign weapons systems.

**CN #20-62** – Pursuant to the reporting requirements of Section 36(b)(1) of the Arms Export Control Act, as amended, we are forwarding herewith Transmittal No. 20-62 concerning the Anny's proposed Letter(s) of Offer and Acceptance to the Kingdom of Saudi Arabia for defense articles and services estimated to cost \$655 million.

**CN #24-105** – Pursuant to the reporting requirements of Section 36(b)(1) of the Arms Export Control Act, as amended, we are forwarding herewith Transmittal No. 24-105, concerning the Army's proposed Letter(s) of Offer and Acceptance to the Government of Switzerland for defense articles and services estimated to cost \$450 million.

**CN#24-285** – USTDA proposes to obligate approximately \$2,500,000 to fund technical assistance related to the development of the Subic-Clark-Manila-Batangas (SCMB) Railway, a proposed 220-kilometer rail line connecting the major ports of Subic Bay, Manila, and Batangas in the Philippines. The technical assistance would support the Philippines' Department of Transportation (DOTr) in conducting the project preparation work needed to prepare the SCMB Railway for financing. The technical assistance would consist of conducting the transport model surveys, assessing the port-rail integration options, conducting the environmental impact and climate assessments, and recommending the optimal legal and institutional framework for the SCMB Railway. USTDA estimates that this project has a U.S. export potential of \$392.52 million.

**CN #2025-03** – USTDA proposes to obligate approximately \$422,000 for a Small Modular Reactor (SMR) and Microreactor Nuclear technologies Reverse Trade Mission (RTM). The RTM would familiarize decision-makers from the Philippines with state-of-the-art U.S. nuclear energy technologies, including SMRs, Microreactors, and other relevant nuclear energy technologies across the civil nuclear energy value chain. The RTM would highlight U.S. best practices in SMR standards, regulations, and safety practices, and would also address the nuclear energy project lifecycle, strategies for nuclear deployments, workforce development, and the risks associated with nascent nuclear technologies such as licensing, permitting, and financing. USTDA estimates that this RTM has an export potential of \$754 million.

**CN #24-88** – Pursuant to the reporting requirements of Section 36(b)(I) of the Arms Export Control Act, as amended, we are forwarding herewith Transmittal No. 24-88, concerning the Air Force's proposed Letter(s) of Offer and Acceptance to the Government of Denmark for defense articles and services estimated to cost \$744 million.
