CN - DFC will provide an equity investment of up to \$50,000,000 to SAEL Industries Limited (“SAEL” or “the Company”) to develop solar photovoltaic (“P.V.”) and waste-to-energy (“WTE”) renewable energy infrastructure in India. The investment contributes to supporting India’s energy security and energy diversification strategy, improving air quality by reducing open-field crop residue burning, and increasing income for farmers. DFC’s investment with SAEL represents an important contribution to the long-running partnership between the U.S. and India to advance shared goals in the energy sector with cooperation on investment and innovation. This partnership extends back to the start of strategic energy dialogues between the countries in 2005 and is reflected in the current U.S.-India Climate and Clean Energy Agenda 2030 Partnership. This notification is submitted pursuant to Section 1446 of the BUILD Act of 2018 (P.L. 115-254, Division F).

CN – DFC will provide a seven-year direct loan of up to \$300,000,000 to Vietnam Prosperity Joint Stock Commercial Bank (“VPBank”) to support an expansion of VPBank’s lending to small businesses in Vietnam to support financial inclusion, women owned/led businesses, and financing for small scale sustainability upgrades. VPBank will contribute an additional \$75,000,000 to the expansion of these portfolios. While total proceeds will exclusively fund small businesses throughout the life of the loan, VPBank will be required to use at least 35 percent of total proceeds to fund eligible 2X small businesses and at least 5 percent of proceeds for climate-linked small business loans at initial deployment of project proceeds (the “Project”).

DFC, in support of USAID/Serbia’s development objectives, will provide a 12-year loan portfolio guaranty of up to \$39,000,000 to 3 Bank JSC Novi Sad (“3Bank” or the “Project”) to support lending to small businesses with at least 40 percent of total lending allocated to agricultural producers and 20 percent for women-owned or women-managed small businesses.

This notification is submitted pursuant to Section 1446 of the BUILD Act of 2018 (P.L. 115-254, Division F) in advance of the DFC's intended financial commitment outlined below.

DFC will provide a 10-year loan portfolio guaranty ("LPG") of up to \$100,000,000 to PT Bank Sahabat Sampoerna ("BSS") to support its \$200,000,000 in lending to small businesses, including women-led or women-owned small businesses, and microfinance institutions (the "Project"). The Project will increase lending to small businesses in Indonesia, an underserved yet critical component of the Indonesian economy. It will also enable first time small business borrowers that have strong business plans but limited collateral to access credit for the first time. Importantly, the Project will also benefit women-owned, -led small businesses as 35 percent of loans under the LPG will target this segment of borrowers. The Project will advance U.S. foreign policy objectives by advancing economic empowerment and inclusion in Indonesia. This notification is submitted pursuant to Section 1446 of the BUILD Act of 2018 (P.L. 115-254, Division F) in advance of DFC's intended financial commitment outlined below.

CN – DFC will provide political risk insurance with a contingent liability in an amount of up to \$20,000,000 to Goodlife Inventors LTD and Heaven Holdings LTD (together, the "Investors") to support their equity investments into three health care enterprises (together, "Goodlife Rwanda") (the "Project"). The Project will support Goodlife Rwanda's introduction of private-sector health care services in underserved urban communities and the surrounding Kigali area in Rwanda through a hybrid pharmacy and clinic model. While health care for Rwandans has significantly improved over the past decade, the private sector still has a crucial role to play in gaining efficiency and generating new resources in the health sector. The Project will advance U.S. foreign policy priorities of bolstering global health and health security in low- and lower-middle-income countries by improving the capacity and quality of healthcare in Rwanda, a low-income country. This notification is submitted pursuant to Section 1446 of the BUILD Act of 2018 (P.L. 115-254, Division F) in advance of the DFC's commitment outlined below.

CN - DFC will provide a 20-year direct loan of up to \$553,000,000 to Colombo West International Terminal Private Limited ("CWIT") to support the development, construction, and operation of the West Container Terminal, a deep-water port terminal with a capacity of 3.2 million twenty-foot equivalent units ("TEUs") per annum at the Port of Colombo, Sri Lanka (the "Project"). This notification is submitted pursuant to Section 1446 of the BUILD Act of 2018 (P.L. 115-254, Division F) and Section 7015(f) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2023 (P.L. 117-328, Division K) in advance of the DFC's intended financial commitment outlined below.

CN – USTDA proposes to obligate approximately \$1,367,946 to fund a feasibility study and pilot to assess the technical and economic viability of utilizing U.S company GreenFire Energy's (GFE) technology to increase geothermal power production for Energy Development Corporation (EDC) in the Philippines. The study would include piloting GFE's technology at a target geothermal well owned by EDC; permit and regulatory surveying; project rollout plan and risk assessment; economic analysis; identification of potential financing; and a preliminary environmental and social impact assessment. The project has an estimated U.S. export potential of \$88 million. A prospective U.S. Trade and Development Agency funding obligation subject to

Congressional notification under section 7015(f) of the Consolidated Appropriations Act, 2023 (P.L. 117-328). This notification is submitted pursuant to Section 1446 of the BUILD Act of 2018 (P.L. 115-254, Division F) in advance of the DFC's intended financial commitment outlined below.

CN - DFC, in support of USAID India's development objectives, will provide an 8-year loan portfolio guaranty of up to \$100,000,000 to Kotak Mahindra Bank Ltd. ("Kotak Bank") to support \$200 million in lending to non-bank financial companies and microfinance institutions in India. Recipient: Kotak Bank is an India-based commercial bank established in 1985. Kotak operates as a universal bank offering a diverse range of financial services, including lending to small businesses as well as non-bank financial companies ("NBFCs") and microfinance institutions ("MFIs"). Its loans to NBFCs and MFIs allow these non-deposit-taking companies to access funding in order to on-lend to individual entrepreneurs and small businesses in India. Kotak previously received a \$24,500,000 DFC loan portfolio guaranty in FY2021 to support COVID-19 response which to date has benefited more than 50,000 borrowers. This deal will require a positive subsidy of \$2,300,000 and is expected to use FY 2023 appropriated funds in this amount to cover the upfront cost associated with this transaction.

CN #229 - U.S. Agency for International Development (USAID) intends to obligate \$37,912,000 of FY 2022 ESF-PSF to support the implementation of the U.S. Strategy to Prevent Conflict and Promote Stability in Coastal West Africa, including through coordination and oversight of foreign assistance activities in the countries of Benin, Côte d'Ivoire, Ghana, Guinea, and Togo, consistent with the goals of the Global Fragility Act of 2019, pursuant to section 7066(a)(1) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2022 (P.L. 117-103, Division K) (SFOAA).

CN #230 - U.S. Agency for International Development (USAID) intends to obligate \$10,000,000 in FY 2022 ESF-PSF to support the implementation of the U.S. Strategy to Prevent Conflict and Promote Stability (SPCPS) in Haiti consistent with the goals of the Global Fragility Act of 2019, pursuant to section 7066(a)(1) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2022 (P.L. 117-103, Division K) (SFOAA).

CN - Narrative describes programs that the USAID/Europe and Eurasia (E&E) intends to carry out using FY 2022 new obligation authority (NOA). Of this NOA, no additional notification is required, as it remains consistent with information notified via the FY 2022 Congressional Budget Justification (CBJ), and there are no special notification requirements.

These funds were previously notified in CN #64 dated December 11, 2020, by the Bureau for Development, Democracy, and Innovation (DDI), and are being notified due to special notification requirements related to the country of El Salvador. This notification is submitted pursuant to section 634A of the Foreign Assistance Act of 1961, as amended; and section 7015(f) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2020 (P.L. 116-94, Division G).

CN – DFC will provide a 10-year direct loan of up to \$10,500,000 to Ifria Cold Chain Development Company Senegal SUARL (the “Borrower”) to support the construction, equipping, working capital expenditures, and debt service reserve account of a greenfield cold chain warehouse in Diamniadio, Senegal (the “Project”), which will strengthen the local agricultural supply chain, reduce food waste, and boost farmers’ income. The Project will advance U.S. foreign policy priorities by (1) investing in infrastructure for economic integration and mobilizing private resources to meet key needs such as cold storage in Senegal. This notification is submitted pursuant to Section 1446 of the BUILD Act of 2018 (P.L. 115-254, Division F) in advance of the DFC’s intended financial commitment outlined below.

CN – DFC will provide a direct loan with a loan tenor up to 12 years for \$50,000,000 to GeneSys Biologics Private Limited (“GeneSys”) to support the development and construction of a commercial insulin manufacturing drug substance plant in Telengana, India. We wish to inform you of a prospective U.S. Trade and Development Agency funding obligation that requires Congressional notification under section 7015(f) of the Consolidated Appropriations Act, 2018 (P.L. 115-141) with funding made available through de-obligation/reobligation procedures included in Section 7011, ‘Availability of Funds.’ A description is enclosed. Prospective U.S. Trade and Development Agency (“USTDA”) action subject to Congressional notification under section 7015(f) of the Consolidated Appropriations Act, 2018 (P.L. 115-141) with funding made available through de-obligation/re-obligation procedures included in Section 7011, ‘Availability of Funds.

DFC will provide an equity investment of up to \$10,000,000 to Janngo Capital Startup Fund SLP (the “Fund”), a venture capital investment vehicle with a targeted capitalization of €60 million (the “Project”). The Fund invests in seed, early-stage, and growth startups that leverage technology to improve people’s access to essential goods and services across multiple sectors (e.g., health, education, food, financial services, mobility, logistics). The Fund follows a double bottom line approach, aiming to generate significant financial and social returns focusing on job creation and gender inclusion, with at least 50 percent of its committed capital supporting companies founded, co-founded, or primarily benefitting women. Further, the Fund aims to catalyze the nascent Francophone West African venture ecosystem and will deploy at least 50

percent of its committed capital towards companies in Francophone African countries, and at least 70 percent of its committed capital to companies in West Africa. This notification is submitted pursuant to Section 7015(f) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2023 (P.L. 117-328, Division K) in advance of the DFC's intended financial commitment outlined below.

DFC will provide a 10-year loan portfolio guaranty of up to \$20,000,000 to Joint-Stock Commercial Bank "Lviv" ("Bank Lviv" or the "Bank") to support its lending to small businesses, including those operating in developmentally significant sectors of the economy such as agriculture in the western Ukrainian oblasts of Ivano-Frankivsk, Kyiv, Lviv, Rivnenska, Ternopil'ska, Volyn'ska, and Zakarpatska (the "Project"). The Project will advance U.S. foreign policy priorities in Ukraine, including USAID/Ukraine's development objectives, by supporting the country's economic recovery as well as helping to mitigate the economic consequences of Russia's war of aggression. This notification is submitted pursuant to Section 1446 of the BUILD Act of 2018 (P.L. 115-254, Division F) in advance of the DFC's intended financial commitment outlined below.

CN - DFC, in support of USAID/Bureau of Resilience and Food Security's ("RFS") development objectives, will provide a 12-year loan portfolio guaranty of up to \$10,000,000 to MCE Social Capital ("MCE") and MCE Empowering Sustainable Agriculture Fund LLC ("MESA") to support lending primarily to small and growing businesses ("SGBs") in disadvantaged and rural communities around the world (the "Project"), especially those operating in the agriculture sector. This notification is submitted pursuant to Section 1446 of the BUILD Act of 2018 (P.L. 115-254, Division F) and Section 7015(f) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2023 (P.L. 117-328, Division K) in advance of the DFC's intended financial commitment outlined below.

CN - DFC, in support of USAID/Ukraine's development objectives, will provide an 8-year loan portfolio guaranty of up to \$40,000,000 at 80 percent coverage to Raiffeisen Bank JSC ("Raiffeisen" or the "Bank") to support its lending to small businesses, including those operating in the agricultural value chain, across regions of Ukraine not currently occupied by Russia. This notification is submitted pursuant to Section 1446 of the BUILD Act of 2018 (P.L. 115-254, Division F) in advance of the DFC's intended financial commitment outlined below.

CN – DFC, in support of USAID/Africa Bureau's development objectives, DFC will provide an up to 12- year loan portfolio guaranty of up to \$19,250,000 to Fonds Européen de Financement Solidaire II ("FEFISOL II"), S.A., SICAV-RAIF (the "Guaranteed Party"), a targeted EUR 35 million reserved alternative investment fund, to finance and strengthen microfinance institutions ("MFIs") and agriculture small businesses across fragile and financially underserved regions in North and sub-Saharan Africa.

CN - USTDA proposes to obligate approximately \$1,638,000 for a feasibility study to support the development of the MYUS submarine fiber optic cable system. The grantee is Malaysia based Hexa Capital Consultancy ("Hexa"). The study would assess technical and commercial viability of the cable system, prepare the data and analysis required for financing, and provide

detailed plans to guide implementation of the Project. The project has an estimated export potential of \$232 million. Prospective U.S. Trade and Development Agency (“USTDA”) action subject to Congressional notification under section 7015(f) of the Consolidated Appropriations Act, 2018 (P.L. 115-141) with funding made available through de-obligation/re-obligation procedures included in Section 7011, ‘Availability of Funds.
