MEMORANDUM

TO: Payroll Contact – Committee on Science, Space & Technology (SY000)
FROM: CAO Employee Services
DATE: March 3, 2011
SUBJECT: Payroll Certification Corrections

The payroll certification you received for the month of February included errors that have been identified. Please note the following explanation regarding those errors. After comparing your Monthly Financial Statement (MFS) with your Payroll Certification (CERT), we determined the CERT dollar amount is incorrect due to the salary of Richard Obermann (\$13,750.00) not being included. Also, the MFS was reduced by a salary reimbursement from Phillip Duran (\$250.00). No further action is needed. See table below for details.

DESCRIPTION	CERT AMOUNT	MFS AMOUNT
Beginning Total	\$370,430.04	\$383,930.04
Richard Obermann, REG	\$13,750.00	
Phillip Duran, REFUND		\$250.00
Adjusted Ending Total	\$384,180.04	\$384,180.04

Although we have already identified the issues, please review this report carefully for any other errors or discrepancies.

Thank you for your patience as we work to resolve this issue. If you have any concerns or questions regarding your pay or benefits, please contact the Payroll team at 5-1435.

Please sign below to acknowledge correction and return with the February Payroll Certification by March 21, 2011.

The Office of Finance was recently made aware of date issues with several FinMart reports.

These reports were originally designed to use dates in financial modules such as the Payables module. However, we have determined that the General Ledger journal date is the appropriate date to drive the reporting process. We are correcting the reports and hope to have a resolution soon.

We apologize for any inconvenience. Thank you for your patience.
