The Honorable Pete Sessions
Chairman
The Committee on Rules
H-312, The Capitol
Washington, D.C. 20515

Dear Chairman Sessions:

On July 24, 2014, the Committee on Rules ordered reported H. Res. 676, a resolution providing for authority to initiate litigation for actions by the President or other executive branch officials inconsistent with their duties under the Constitution of the United States. As you know, the Committee on House Administration was granted an additional referral upon the bill's introduction pursuant to the Committee's jurisdiction under rule X of the Rules of the House of Representatives over the allowance and expenses of administrative officers of the House.

Because of your willingness to consult with my committee regarding this matter, I will waive consideration of the bill by the Committee on House Administration. By agreeing to waive its consideration of the bill, the Committee on House Administration does not waive its jurisdiction over H. Res. 676.

I request that you include this letter and your response as part of your committee's report on the bill and the Congressional Record during consideration of the legislation on the House floor.

Thank you for your attention to these matters.

Sincerely,

Candice S. Miller
Chairman
Committee on House Administration
