

# NOTICE

In light of concerns about Coronavirus (COVID-19) and in accordance with guidance issued by the Office of the Attending Physician and the CDC, this office is conducting **"NO CONTACT"** meetings.

Thank you for helping keep our community healthy by being respectful of this policy.

## Protect yourself and others from the spread of germs:

Wash hands often and use hand sanitizer before and after meetings.

Stay home if you are sick, except to get medical care.

Cover coughs and sneezes with a tissue or the inside of your elbow. Discard used tissues in trash.

Clean and disinfect frequently touched surfaces often.
